Oh girl, I'd be in trouble if you left me now  
'Cause I don't know where to look for love  
I just don't know how  
Oh girl, how I depend on you  
To give me love when I need it  
Right on time you will always be  
All my friends call me a fool  
They say, "Let the woman take care of you"  
So I try to be hip and think like the crowd  
But even the crowd can't help me now  
Oh, oh, oh, oh, oh, oh  
Oh girl, tell me what am I gonna do  
I know I've got a guilty face  
Girl, I feel so out of place, oh yeah, yeah  
Don't know where to go and who to see, yeah  
All my friends call me a fool  
They say, "Let the woman take care of you"  
So I try to be hip and think like the crowd  
But even the crowd can't help me now  
Oh, oh, oh, oh, oh, oh  
Oh girl, I guess I better go  
I can save myself a lot of useless tears  
Girl, I've gotta get away from here  
Oh girl, pain will double if you leave me now  
I don't know where to look for love  
And I don't, and I don't know how, no I don't  
Better be on my way 'cause I just can't stay, oh yeah,  
yeah  
Oh girl, why do I love you so?  
I better be on my way, I can't stay, no  
Tell me who am I gonna love  
I don't know where to go, oh girl
