You must know me, I'm one of your secrets
You must know me, I'm one of your secrets
I belong to you
I belong to you
And you belong to me.

You must know me, I'm one of your secrets ooh whooa
ooh
From what I see, you're trying to hard to keep it oh yes
you are

Well I belong to you
I belong to you
I belong to you
And you belong to me.

Look at me, I'm your hearts keeper.
Met for 3:21 AM, she will be here, oh yes she will

And I belong to you
Yes I belong to you
I belong to you
And you belong to me.

Look at me, I'm one of your secrets.
From what I see, you're trying hard to keep it.
Oh yeah

But I belong to you
I belong to you
Anekatips
I belong to you
And you belong to me
You belong to me
