The beginning saw existence of a chosen dream  
But then came pain with energy  
Striking on those she knew would uncover her lies

She felt she must destroy everything that we had  
prayed for  
So she sent shameful claim in her lies  
She wants us to be what's going on in her mind

Music takes you round and round  
And round and round and round  
Hold on to the love  
Hold on to the love

Music takes you round and round  
And round and round and round  
Hold on to the love  
Na na na na

Hold on to the love  
We are smiling

She wants us to be what's going on in her mind  
If she is to take over, she must prevent unity  
But oh, how cold her life must be

She knows she must destroy  
Everything that we had prayed for  
So here comes shameful claim in her lies

Music takes you round and round  
And round and round and round  
Hold on to the love  
Hold on to the love

Music takes you round and round  
And round and round and round  
Hold on to the love  
Smiling again  
Hold on to the love

Na na na na

Hold on  
Na na na na  
Hold on  
Na na na na

Na na na na  
Hold on  
Na na na na  
Hold on  
Hold on to the love

The music takes you round and round  
And round and round and round  
Hold on to the love  
Hold on to the love

Music takes you round and round  
And round and round and round  
Hold on to the love  
Hold on to the love

Hold on  
Round and round and round  
And round and round  
Hold on to the love

Go round, go round  
But hold on to the love  
Hold on to the love

Music takes you round and round  
And round and round and round  
Hold on to the love

Go round, go round  
Hold on to the love  
So hard for me to try and tell you how I feel

Ahh no, no no love  
Go round  
Gonna hold on  
Go round yeah  
But hold on to love

The music takes you round  
It takes you round  
And round and round  
But hold on to love  
Hold on  
Hold on to love  
Hold on

Sorrow  
Hold on to love
