Without your touch I've been lost without the things I
love

Without your kiss I've been dreaming of the things I
miss

Your eyes, your mouth, your lips, your touch
Your eyes, your mouth, your face, your touch

Who am I?

(Who am I?)

Meant to tell

(Meant to tell)

Of what will be

(Of what will be)

No one knows

(Still)

Who am I?

(I need to know)

Meant to tell

(What time itself)

What will be well

(Will really show)

Let it be

Each day we miss

I remember times I used to kiss

Your mouth, your eyes, your face, your touch

But who am I?

(Who am I?)

Meant to tell

(Meant to tell)

Of what will be well

(Of what will be)

No one knows

(Still)

Who am I?

(I need to know)

Meant to tell

(What time itself)

What will be well

(Will really show)
Let it be

Still, I need to know
What time itself will really show?
Still, I need to know
What time itself will really show?

And I say who am I?
(Who am I?)
Meant to tell
(Meant to tell)
Of what will be well
(Of what will be)
No one knows
(Still)

Who am I?
(I need to know)
Meant to tell
(What time itself)
What will be well
(Will really show)
Let it be

Who am I?
(Who am I?)
Meant to tell
(Meant to tell)
Of what will be well
(Of what will be)
No one knows
(Still)

Who am I?
(I need to know)
Meant to tell
(What time itself)
What will be well
(Will really show)
Let it be

Your mouth, your eyes, your face, your touch
Your touch
Your touch
Your touch
Your touch
