Today, I give in
All to you
On this day we recall the memories
Of what we're going through

This day, we're gonna win it
In giving you all above
Many minds, we'll recall with us tomorrow
Followed in our love

In my heart, a place
Almost there she placed
And it's all for you

You're my girl
You're my angel

The winds sing for us
Honey, they can't be wrong

'Cause everybody knows
It was hard to break the sorrow
Then you came along, yeah

In my heart, a place
Almost there she placed
And it's all for you

You're girl
You're angel
And you're my girl

You're the one

In my heart, a place
Almost there, she placed
And it's all for you
And it's all for you

In my heart, a place
Almost there, she placed
And it's all for you

You're my girl
You're heaven
You're world

In my heart, a place
Almost there, she placed
And it's all for you

You're my girl
You're my angel
You're my girl
