With you on a clear day, yeah.
If tried I don't think I could end it better this way,
All I have is a photograph.
And if loneliness can hurt as much as being cold.
Come over here woman and touch me you look so
electric.
'Cause all I ask is a second chance...
Stroll on lady.
Stroll on.

Wild laces with diamonds in your hair,
When you smile you make my world resolve and you
take over,
Wild laces with diamonds in your hair,
When you smile you make my world resolve and you
take over my pain,

Oh lord,
You got a tear in your eye and a look to match it.
Well maybe you think you just can't get me out of your
hair.
Don't try to resist it 'cause,
We're getting stronger,
The closer we become.

You are the best thing in my life (Wendy/Lisa)
You are the best thing in my life

Stroll on lady.
Stroll on.
And take it to the edge....

Ohh ooh ahhh ahhh ooh ahhh baby.
Ooh-hh.... yeah!
Stroll on lady.
Stroll on...
