(J.R. Rotem. Here We Goooo!  
Kingston, Worldwide  
Go!)

Never thought that girl can dance so cool  
The way you wind and move  
Everybody looking upon you like "Woah!"  
Ooooooh

You got something that's so special  
And I just want you to know  
That I'm not going home without you  
Nooooo

You got the body of a goddess  
Little Mama you should roll with me  
'Cause I'm the life of the party  
Ask anybody about Sean King

You got the body of a goddess  
Little Mama you should roll with me  
'Cause I'm the life of the party

(Here We Goooo!)

Can't close my eyes, no words to say  
But girl you got a body that's off the chain  
Can't even lie, you brighten my day  
And and everytime I see you I get my crave

Girl I'm addicted,  
Addicted to the way you move  
Girl I'm addicted  
And I don't know what to do  
Girl I'm addicted

Tell me I beg you for wind some more  
Wind fast drop upon the floor  
'Cause you're a bad girl and that's for sure  
Suuuuure

I think I'm losing my mind

'Cause girl you are so so fly  
I will need you up in my life

You got the body of a goddess  
Little Mama you should roll with me  
'Cause I'm the life of the party

Ask anybody about Sean King

You got the body of a goddess  
Little Mama you should roll with me  
'Cause I'm the life of the party

(Here We Goooo!)

Can't close my eyes, no words to say  
But girl you got a body that's off the chain  
Can't even lie, you brighten my day  
And and everytime I see you I get my crave

Girl I'm addicted  
Addicted to the way you move  
Girl I'm addicted  
And I don't know what to do  
Girl I'm addicted

Girl the way you move make me really want ya  
Many things you do make me really want ya  
Girl the way you move make me really want ya

Eh! Oh! Eh!

Girl the way you move make me really want ya  
Many things you do make me really want ya  
Girl the way you move make me really want ya

Eh! Oh! Eh!

Can't close my eyes, no words to say  
But girl you got a body that's off the chain  
Can't even lie, you brighten my day  
And and everytime I see you I get my crave

Girl I'm addicted  
Addicted to the way you move  
Girl I'm addicted  
And I don't know what to do  
Girl I'm addicted

(I'm Back!  
Here We Goooo!)
