Baby are you down down down down down,
Down, down,
Even if the sky is falling down,
Down, down
Ooh (ohhh)

(Verse 1)

You oughta know, tonight is the night to let it go,
Put on a show, i wanna see how you lose control,

(Bridge)

So leave it behind 'cause we, have a night to get
away,
So come on and fly with me, as we make our great
escape.

(Chorus)

So baby don't worry, you are my only,
You won't be lonely, even if the sky is falling down,
You'll be my only, no need to worry,
Baby are you down down down down down,
Down, Down,
Baby are you down down down down down,
Down, Down,
Even if the sky is falling down,

(Verse 2)

Just let it be, come on and bring your body next to me,
I'll take you away, hey, turn this place into our private
getaway,

(Chorus)

So baby don't worry, you are my only,
You won't be lonely, even if the sky is falling down,
You'll be my only, no need to worry,
Baby are you down down down down down,
Down, Down,

Baby are you down down down down down,
Down, Down,
Even if the sky is falling down,

LiL Wayne

(Verse 3)

Even if the sky is falling down like she supposed to be,
She gets down low for me,
Down like her temperature, 'cause to me she zero
degree,
She cold, overfreeze,
I got that girl from overseas,
Now she my miss America,
now can i be her soldier please,
I'm fighting for this girl,
On the battlefield of love,
Don't it look like baby cupid sending arrows from
above,
Don't you ever leave the side of me,
Indefinitely, not probably,
and honestly im down like the economy,
Yeahhhhhh
(Bridge)

So leave it behind 'cause we, have a night to get
away,
So come on and fly with me, as we make our great
escape,

(So why don't we run away)

(Chorus)

So baby don't worry, you are my only,
You won't be lonely, even if the sky is falling down,
You'll be my only, no need to worry,
Baby are you down down down down down,
Down, Down,
Baby are you down down down down down,
Down, Down,
Even if the sky is falling down
