They don't know girl, love takes them wide up
By the blackberry, â€¦
Just lift you up

All this texting is getting kinda crazy
Don't be mad if I â€¦ at you lady
No, and just because I don't pick up every day
Yeah, find another way to communicate, she told me

BBM, BBM, BBM every day
BBM, BBM, BBM every day
Cause I've been hitting up your phone all day
But I found a way to communicate, bbm me every day

BBM every day, she â€¦ with that smiley face
She said she likes it, that's the best way to
communicate
And don't worry I â€¦ in a hurry, need to talk to
somebody, just bbm â€¦
My â€¦ she wanna call me, swag so official, wanna blow
it like â€¦
She saying, always, I'll be getting always, â€¦ so she
mess around with me the long way
Long way, â€¦ so â€¦, we get it in, I could fit in like a ball
play
Like she â€¦ hard, and I know she want me, cause she's
in my swag â€¦
Touch me in the club, she texting ong, â€¦ smiley face
and she be putting sms because she's grinding
Yeah I know she grinding, I know she want me, she
don't gotta find me â€¦
All this texting is getting kinda crazy
Don't be mad if I â€¦ at you lady
No, and just because I don't pick up every day
Yeah, find another way to communicate, she told me
BBM, BBM, BBM every day
BBM, BBM, BBM every day

Cause I've been hitting up your phone all day
But I found a way to communicate, bbm me every day

BBM, BBM girl you look so damn good

Take the swill, take the swill, â€¦ in my neighborhood
Mansion, I can hear you â€¦ in my living room, dancing
Man I swear you look so damn good, leave me on my
bed â€¦
â€¦ Let me know what's up
I hit you with a hard hand, you know that we is turning
on
â€¦ here, you know â€¦
â€¦ to the city, Lamborghini â€¦
Man I â€¦ , man this girl is sexy
Double day, bottom lay, there she had text me
LoL, smiley face, we did it by the fire place
Put the â€¦ forever less she was hibernate
She hears my voice she says soldier you the best is
I don't wanna mess with none of the rest is
I lay you down on the bed and you â€¦ this
Baby hell yeah, I got the wrong â€¦

All this texting is getting kinda crazy
Don't be mad if I â€¦ at you lady
No, and just because I don't pick up every day
Yeah, find another way to communicate, she told me

BBM, BBM, BBM every day
BBM, BBM, BBM every day
Cause I've been hitting up your phone all day
But I found a way to communicate, bbm me every day,
bbm me every day,
Bbm me every day.
