That's just the way life goes
Lemme know that big girls don't cry but please let me
explain (let me explain)
Can we please work things out before you go on your
way (on your way)
See i got alota things on my mind and I know your
feelin' the same (feelin' the same)
Cause the situations outta control

[Chorus - Fergie & Sean Kingston]

I hope you know, I hope you know
That this has nothin' to do with you
Im feelin' blue lets work things out
Cause I don't know what to do
And I'm gonna miss you like a child misses their
blanket but I gotta get a move on with my life

That's just the way it has to go
And big girls don't cry

[Verse 2 - Fergie]

The smell of your skin lingers (lingers)
On me now (C'mon)
Probably on your flight back to your hometown
(hometown) (Is that right)
I need some shelter of my own protection baby (baby)
(c'mon)
To be with myself and center, clarity
Peace, serenity

[Chorus]

[Verse 3 - Sean Kingston]

What should I do. I'm missin' you

And I feel so down

Now that your gone, I can't go on

This must be the end

[Chorus]
