Kingston  
Let's Go  
Hey, hey, hey  
Red One  
Hey Hey  
Shawty got that super thing  
Hotter than the sun of south in spain  
Got me soon as I walked through the door  
My pocket started tickle-ing  
The way she dropped it low that thang  
Got me wanna spend my money on her, her

She get it pop it lock it drop it,  
That birthday cake,  
Got a candle, need to blow that crazy flame away  
Now take my red, black card and my jewellery  
Shawty is cool like the fire,  
Cool like fire

Somebody call 911  
Shawty fire burning on the dance floor  
Whoa  
I gotta cool her down  
She won't bring the roof to ground on the dance floor  
Whoa  
She's fire burning, fire burning on the dance floor  
That little shawty's fire burning on the dance floor  
Shes fire burning fire burning on the dance floor  
That little shawty's fire burning on the dance floor  
Fire burning fire burning

That body is a masterpiece  
The order is one in every hundred years  
But ain't no doubt i'm taking it home

Little mama game is about to change  
She'll be on covers over the world

She get it pop it lock it drop it that birthday cake  
Got a candle need to blow that crazy flame away  
Take my red, black card and my jewellery  
Shawty is cool like the fire
