(Chorus)

Girl you make me dumb, dumb, dumb, dumb, dumb,  
Dumb-b-do-b-dumb  
Dumb, dumb, dumb, dumb,  
I love you so dumb, dumb, dumb, dumb, dumb  
Dumb-b-do-b-dumb  
Wh-wh-wh-whyyy

(Verse 1)

You tell me that you're leaving  
But then you wanna leave me  
And never make your way to the door  
I tell you that you're too much  
And then I'll miss you too much  
Don't even know what we're fighting for  
You keep my car?, girl  
And then you go get it fixed  
I talk one of them other chicks  
Just to make you jealous

(Pre-Chorus)

How can we make it right  
When we both put up a fit  
You make me so mad  
It's kind of hard to compete  
But when I look into your pretty eyes  
My heart just drops

(Chorus)

Girl you make me dumb, dumb, dumb, dumb, dumb,  
Dumb-b-do-b-dumb  
Dumb, dumb, dumb, dumb,  
I love you so dumb, dumb, dumb, dumb, dumb  
Dumb-b-do-b-dumb  
Wh-wh-wh-whyyy

(Verse 2)

You always talkin reckless  
Sendin a text message  
Telling me to back in your goal  
And then I get up callin mendez  
You soundin so innocent

Singing that you can't sleep alone  
I go find? to show how you spend my dough  
You wanna go and sell my room and burn up all my  
clothes

(Pre-Chorus)

How can we make it right  
When we both put up a fit  
You make me so mad  
It's kind of hard to compete  
But when I look into your pretty eyes  
My heart just drops

(Chorus)

Girl you make me dumb, dumb, dumb, dumb, dumb,  
Dumb-b-do-b-dumb  
Dumb, dumb, dumb, dumb,  
I love you so dumb, dumb, dumb, dumb, dumb  
Dumb-b-do-b-dumb  
Wh-wh-wh-whyyy

(Bridge)

Callin it quits just aint right?  
I'd rather love u then to hate you  
I want you to know (ohh)  
Your my, your my, your my shawty
