Kingston
Let's Go
Hey, hey, hey
Red One
Hey Hey
Shawty got that super thing
Hotter than the sun in the south of Spain
Got me soon as I walked through the door
My pocket started tickle-ing
The way she dropped it low that thing
Got me wanna spend my money on her, her

She get it pop it lock it drop it,
That birthday cake,
Got a candle, need to blow that crazy flame away
Now take my red, black card and my jewelery
Shawty is cool like the fire,
Cool like fire

Somebody call 911
Shawty fire burning on the dance floor
Woo... Ooo
I gotta cool her down
She won't bring the roof to ground on the dance floor
Woo... Ooo
She's fire burning, fire burning on the dance floor
That little shawty's fire burning on the dance floor
She's fire burning fire burning on the dance floor
That little shawty's fire burning on the dance floor
Fire burning fire burning

That body is a masterpiece
The order is one in every hundred years
But ain't no doubt I'm taking it home, home
I'm afraid we'll blow them legs
Little mama game is about to change
She'll be on covers over the world

She get it pop it lock it drop it that birthday cake
Got a candle need to blow that crazy flame away
Take my red, black card and my jewelery
Shawty is cool like the fire

Cool like fire

Somebody call 911
Shawty fire burning on the dance floor
Woo... Ooo...
I gotta cool her down
She won't bring the roof to ground on the dance floor
Woo... Ooo...
She's fire burning, fire burning on the dance floor
That little shawty's fire burning on the dance floor
Shes fire burning, fire burning on the dance floor
That little shawty's fire burning on the dance floor

She got that fire in her dance that' ll make them Fella 's
run around
Hey
No exit from the dance floor so them boys want more
Hey
She got that fire in her dance that' ll make them Fella 's
run around
Rock get outta my way , everybody, sing it now
No exit from the dance floor so them boys want more

She get it pop it lock it drop it that birthday cake
Got a candle need to blow that crazy flame away
Take my red , black card and my jewelery
Shawty is cool like the fire
Cool like fire

Somebody call 911
Shawty fire burning on the dance floor
Whoa
I gotta cool her down
She won't bring the roof to ground on the dance floor
Whoa
She's fire burning, fire burning on the dance floor
That little shawty's fire burning on the dance floor
Shes fire burning, fire burning on the dance floor
That little shawty's fire burning on the dance floor

Somebody call 911
