That ain't right  
He ain't messin' with a G no more  
'Cause I'm on my grind  
And you said it's either or

Comin' late at night  
And you fussin' when I walk in the door  
And that ain't nice  
Girl you make me wanna leave for sure, yeah

I'm in the studio laying out tracks  
My girl keep trippin' off that  
Blowin' up my phone like where I'm at  
Oh, ooh, oh, oh, ooh, oh

She said she one more time  
But baby I'm on my grind  
I'm tryin' to get my shine  
And I feel like you're holdin' me back

Man I like the way you treat me girl  
Sit down let's talk, let me reason girl  
I know I be deceivin' girl  
'Cause I really wanna hold you down

Man I like the way you treat me girl  
Sit down let's talk, let me reason girl  
I know I be deceivin' girl  
'Cause I really wanna hold you down

That ain't right  
He ain't messing with a G no more  
'Cause I'm on my grind  
And you said it's either or

Comin' late at night  
And you fussin' when I walk in the door  
And that ain't nice  
Girl you make me wanna leave for sure, yeah

Now she ain't messin' with her cat  
'Cause I'm grindin' chasin' these stacks

Say she gonna leave and never come back  
Oh, ooh, oh, oh, ooh, oh

Baby I'm not gonna lie  
I think you wastin' my time  
I tryin' to get my shine  
And I feel like you holdin' me back

Man I like the way you treat me girl  
Sit down let's talk, let me reason girl  
I know I be deceivin' girl  
'Cause I really wanna hold you down

Man I like the way you treat me girl  
Sit down let's talk, let me reason girl  
I know I be deceivin' girl  
'Cause I really wanna hold you down

That ain't right  
He ain't messin' with a G no more  
'Cause I'm on my grind  
And you said it's either or

Comin' late at night  
And you fussin' when I walk in the door  
And that ain't nice  
Girl you make me wanna leave for sure, yeah

You make me wanna leave and get away  
But music is what I breathe, so baby  
Stop stressin' me this is what I do  
Baby, let me be or I can't be wit you

Man I like the way you treat me girl  
Sit down let's talk, let me reason girl  
I know I be deceivin' girl  
'Cause I really wanna hold you down

Man I like the way you treat me girl  
Sit down let's talk, let me reason girl  
I know I be deceivin' girl  
'Cause I really wanna hold you down

That ain't right  
He ain't messin' with a G no more  
'Cause I'm on my grind  
And you said it's either or

Comin' late at night  
And you fussin' when I walk in the door  
And that ain't nice

Girl you make me wanna leave for sure, yeah
