[Chorus]

That ain't right (that ain't right),  
He ain't messin' with a G no more,  
'Cause I'm on my grind,  
And you said it's either or,  
Comin' late at night,  
And you fussin' when I walk in the door,  
And that ain't nice,  
Girl you make me wanna leave fo' sho'.

[Verse 1]

I'm in the studio layin' out tracks,  
My girl keep trippin' off that,  
Blowin' up my phone like where I'm at,  
Ooh oh ooh (oh oh ooh),  
She said she one more time,  
But baby I'm on my grind,  
I'm tryin' to get my shine,  
And I feel like you holdin' me back.

[Hook]

Man I like the way you treat me girl,  
Sit down lets talk lemme reason girl,  
I kno' be deceivin' girl,  
'Cause I really wanna hold ya down.  
Man I like the way you treat me girl,  
Sit down lets talk lemme reason girl,  
I kno' be deceivin' girl,  
'Cause I really wanna hold ya down.

[Chorus]

That ain't right (that ain't right),  
He ain't messin' with a G no more,  
'Cause I'm on my grind,  
And you said it's either or,

And you fussin' when I walk in the door,
