[Chorus:]

I'm a full time hustla posted on the block,
got to get it how I live and I'm never going to stop.
Now that's gangsta, now that's gangsta
When me ride through the hood you can here the bass
knock, all me girls them love me me have me city
locked
Now that's gangsta, now that's gangsta

[Verse 1:]

Mane I'm a gangsta, g-a-n-g-s-t-a mane,
a gangsta the best to come up out of PA mane,
a gangsta seldom seen but always heard,
a real gangsta more than just a 7 letter word,
a gangsta ain't ya clothes,
a gangsta ain't ya hat, your watch ring your chain
naw a gangsta ain't that, a gangsta can have that but
he ain't got to show it, cause with or without it hes
still gangsta and you know it,
from my head to my toe with it it ain't to hard to
see, said I'm a gangsta ain't too many as hard as me,
you claimin g but you ain't gangsta jack so tell all
them fake gangstas I'm coming to take gangsta back.

[Chorus]

[Verse 2:]

Mane I'm a gangsta now let me tell you what that
means,
see I'm a gangsta always got my mind on my green,
and I'm a gangsta always gon do what I got to do,
unless it's giving game to police and sellin out his
crew, that's something gangstas don't do a gangsta
keep it trill a gangsta do a crime he do his time on
the real, a gangsta don't squeel and tell on everyone
he know, put a jacket on ya boy you ain't a gangsta
yous a hoe, a gangsta hold his homeboys down when
they
gone, a gangsta put him back on his feet when he
home,
a gangsta is a homeboy that never turn his back,

on another real homie that's a well known fact.

[Chorus]

[Verse 3:]

Mane I'm a gangsta call me the hood superstar,
and I'm a gangsta ridin in my candy painted car,
cause see a gangsta always down to rep for his hood,
and to do a little bad so I can do a little good,
a gangsta don't forget where he came from no matter
where he go or where he been keep it gangsta till the
end, cause I'm a gangsta and I'm a always love my
city,
make money but don't act like I'm above my city,
cause gangstas will always give back to the ghetto,
and gangstas will never turn their back to the ghetto,
that's a fact in the ghetto,
it's never been a lie, so I'm a keep it gangsta till the day
that I die.
