Sean Kingston, hey
JR, Paula, hey
Sean Kingston, Paula D

There's nothin' in this world
There's not another girl that could satisfy my needs
There's nothin' in this world
There's not another boy that could make me feel so
sweet

'Cos me love life's so right when she hold me so tight
How she kiss me goodnight
'Cos he fills up my life, like the sun he shines bright
Boy, come with me now

The first night me meet her
Yes me seniorita me never want to leave her no
Because the gal look sweet and nothin' compare a treat
And me really want to take her home

'Cos she look nice, yes she is a one of a kind
When me look up in her eyes then she got me
mesmerized
Picture perfect like a Kodak moment
When she kiss me goodnight and she feelin' up on me

We been there from the jump, never front, never stunt
Never done what a average girl done
And I can tell by her body language
She feels my emotions and got me anxious

So that's me type, me and me angel
And me really have to let her know
She's the woman of my life, oh yes she's so right
So please let the chorus go

There's nothin' in this world
There's not another girl that could satisfy my needs
There's nothin' in this world
There's not another boy that could make me feel so
sweet

'Cos me love life's so right when she hold me so tight
How she kiss me goodnight
'Cos he fills up my life, like the sun he shines bright
Boy, come with me now

Saw you from across the room
Lookin' so fly I gotta talk to you, yeah
It didn't take a sec to see
That you're the only one who wanna rescue me

I can't lie, boy you're my type of guy
And there's nothin' in this world
That can stop me from lovin' you
Stop, stop me from lovin' you

Girl you put me in a good mood
And me love the way you flex too
We could chill girl, after school
'Cos I ain't trippin' girl, it's up to you

And since then we've been inseparable
'Cos I did everythin' to get next to you
Since day 1 you know I stay true
So ever since then it's been me and my boo

There's nothin' in this world
There's not another girl that could satisfy my needs
There's nothin' in this world
There's not another boy that could make me feel so
sweet

'Cos me love life's so right when she hold me so tight
How she kiss me goodnight
'Cos he fills up my life, like the sun he shines bright
Boy, come with me now

There's nothin' in this world
There's nothin' in this world
There's nothin', there's nothin'
There's nothin', there's nothin'

There's nothin' in this world
There's nothin' in this world
There's nothin', there's nothin'
There's nothin', there's nothin'

There's nothin' in this world
There's nothin' in this world
There's nothin', there's nothin'
There's nothin', there's nothin'

There's nothin' in this world
There's nothin' in this world
There's nothin', there's nothin'
There's nothin', there's nothin'

There's nothin' in this world
There's not another girl that could satisfy my needs
There's nothin' in this world
There's not another boy that could make me feel so
sweet

'Cos me love life's so right when she hold me so tight
How she kiss me goodnight
'Cos he fills up my life, like the sun he shines bright
Boy, come with me now

Like that, JR
There's nothin', what?
Paula, Kingston, number one
There's nothin', let's go, come on
