Hey, hey, haha  
Sean Kingston, Paula D

*[Chorus]*

There's nothing in this world  
There's not another girl that could satisfy my needs  
There's nothing in this world  
There's not another boy that could make me feel so  
sweet  
Cos me love life's so right  
When she hold me so tight, how she kiss me goodnight  
Cos he fills up my life  
Like the sun, he shines bright  
Boy, come with me now

The first night me meet her  
Yes me seniorita me never want to leave her no  
Because the gal look sweet and ??  
And me really want to take her home  
Cos she look nice and is a one of a kind  
When me look up in her eyes then she got me  
mesmerised  
Picture perfect like a Kodak moment  
When she kiss me goodnight and she feelin' up on me  
We been there from the jump, never front, never stunt  
Never done what a average girl done  
And I can tell by her body language  
She feels my emotions  
And got me anxious  
So that's me type  
Me and me angel  
And me really have to let her know  
She's the woman of my life  
Oh yes she so right  
So please let the chorus go

*[Chorus]*

There's nothing in this world  
There's not another girl that could satisfy my needs  
There's nothing in this world  
There's not another boy that could make me feel so

sweet

Cos me love life's so right  
When she hold me so tight, how she kiss me goodnight  
Cos he fills up my life  
Like the sun, he shines bright  
Boy, come with me now

I Saw you from across the room  
Looking so fly I gotta talk to you, yeah  
It didn't take a sec to see  
That you're the only one who wanna rescue me  
I can't lie, boy you're my type of guy  
And there's nothing in this world that can stop me from  
loving you

Girl you put me in a good mood  
And me love the way you flex too  
We could chill girl, after school  
Cos I ain't trippin girl it's up to you  
And since then we've been inseperable  
Cos I did everything to get next to you  
Since day 1 you know I stay true  
So ever since then it's been me and my boo

*[Chorus]*

There's nothing in this world  
There's not another girl that could satisfy my needs  
There's nothing in this world  
There's not another boy that could make me feel so  
sweet  
Cos me love life's so right  
When she hold me so tight, how she kiss me goodnight  
Cos he fills up my life  
Like the sun, he shines bright  
Boy, come with me now

*[Sean Kingston]*

There's nothing in this world, There's nothing in this  
world  
There's nothing, there's nothing

*[Paula Deanda]*

There's nothing in this world, There's nothing in this  
world  
There's nothing, there's nothing
