Sean Kingston!
Aha! Hey! The DEY.

(Juelz Santana:)
I'm looking like feeling like acting like money
she looking like feeling like acting like she want me
she got what I feel for, acting like a junkie
got me buzzing like bee,
you know I'm after that honey
I got my eye on her, I cant keep it off her
She got her eye on me she can't keep it off me
Bad little shawty, now I know how Laura Hill felt
cause she killing me softly, ya dig!

CHORUS

(Sean Kingston:)
There's nothing in this world
there's not another girl that could satisfy my needs
(Elan:)
There's nothing in this world
there's not another boy that can make me feel so
sweet, yeah!
(Sean Kingston:)
Cos me love her so right
when she hold me so tight, and she kiss me goodnight
(aha, aha)
(Elan:)
Cos he fills up my life
Like a star, he shines bright
Boy, come with me now

The first night me meet her
Yes me seniorita me never want to leave her no
Because the gal look sweet an nothing compare how
sweet
And me really want to take her home
Cos she look nice and is a one of a kind
When me look up in her eyes then she got me
mesmerised
Picture perfect like a Kodak moment
When she kiss me goodnight and she feelin? up on me
We been there from the jump, never front, never stunt

Never done what a average girl done
And I can tell by her body language (aw)
She feels my emotions
And got me anxious
So that me type
me and me angel
And me really have to let her know (let me know)
She's the woman of my life
Oh yes she sound bright
So please let the chorus go

(Elan:)

I Saw you from across the room
Looking so fly I gotta talk to you, yeah, yeah
It didn't take a sec to see
That you're the only one who wanna rescue me
I can't lie, boy you're my type of guy (aha)
And there's nothing in this world that can stop me from
loving you, stop stop me from lovin' you

(Sean Kingston:)

Girl you put me in a good mood
And me love the way you flex too (aou!)
We could chill girl, after school
Cos I ain't trippin girl it's up to you
And since then we've been inseperable
Cos I did everything to get next to you
Since day 1 you know I stay true
So ever since then it's been me and my boo

CHORUS

(Sean Kingston:)

There's nothing in this world
there's not another girl that could satisfy my needs

(Elan:)

There's nothing in this world
there's not another boy that can make me feel so
sweet, yeah!

(Sean Kingston:)

Cos me love her so right
when she hold me so tight, and she kiss me goodnight
(aha, aha)

(Elan:)

Cos he fills up my life
Like a star, he shines bright
Boy, come with me now

(Juelz Santana:)

Let me talk to you. Ya dig!
You got something that's real

something I feel
something I trust
something I lust
there's something I want
it's no one like you, and it's no one like me
so it's nothing like us
She make me feel comfortable
I make her feel wonderful
you the type of girl I wanna introduce my mother 2
and you don't listen to your friends
cause you know what I am
it aint a dream, but shawty is a ten

CHORUS

(Sean Kingston:)

There's nothing in this world
there's not another girl that could satisfy my needs

(Elan:)

There's nothing in this world
there's not another boy that can make me feel so
sweet, yeah!

(Sean Kingston:)

Cos me love her so right
when she hold me so tight, and she kiss me goodnight
(aha, aha)

(Elan:)

Cos he fills up my life
Like a star, he shines bright
Boy, come with me now
