[Chorus]:

(I'm at war)

Fightin' for the one that I love and the one that I truly
need

(I'm at war)

Shawty I take a bullet for you girl cause you mean the
world to me

(I'm at war)

[Sean Kingston]:

Me love you girl, you lovin' me

So don't fight together cause it was meant to be

Me feel like, I'm in the army

Cause to be with you, that's where my heart wanna be

It's like I'm about to die just to get with you

Feel like you're putting me through World War II

Got my soldier suit and my Timberland boots

Girl I'm down for whatever cause my love is true

(So I tell her) I'm at war with the love of my life

Sweat from my brows running down to my eyes

Everything you are is what I need in my life (My life, my
life)

[Chorus]:

(I'm at war)

Fightin' for the one that I love and the one that I truly
need

(I'm at war)

Shawty I take a bullet for you girl cause you mean the
world to me

(I'm at war)

(At war, at war, at war, at war, at war. I'm at war)

(At war, at war, at war, at war, at war. I'm at war)

[Lil Wayne]:

Salute to all the veterans

And girl your love's like a nuclear weapon

I'm a five star purple hearter purple sparker
camouflager

Follow my every command and order

You can just call me Captain Carter

So let the missiles rain on your parade
Cause my love is a soldier and my heart is a grenade
(Kabloom!)
I'll bomb any platoon, just call me World War Tune

[Chorus]:
(I'm at war)
Fightinn' for the one that I love and the one that I truly
need
(I'm at war)
Shawty I take a bullet for you girl cause you mean the
world to me
(I'm at war)

[Sean Kingston]:
Your mother said, don't talk to me (No!)
But it went through those ears girl, as I can see
So make me know what's your fantasies
Cause baby girl I think that stands to me
I'm on the front line and I'm risking my life
I'll make a sacrifice just to have you by my side
You're the one I love, you're the one I trust
I'll hurt someone that come between us
(So I tell her) I'm at war with the love of my life
Sweat from my brows running down to my eyes
Everything you are is what I need in my life (My life, my
life)

[Chorus]:
(I'm at war)
Fightin' for the one that I love and the one that I truly
need
(I'm at war)
Shawty I take a bullet for you girl cause you mean the
world to me
(I'm at war)
