Im Addicted To This Lifestyle Blowing All My Cash  
In The Stripclub Trying To Find Me Some Ass

Shawty I Cant Change Cause Thats Just Who I Am  
Im Addicted To This Lifestyle My Phone Calls  
Flying Out The Malls Baby  
Im Addicted To This Lifestyle  
Shawty I Cant Change Cause Thats Just Who I Am  
My Conscience Always Says  
Go In Go In Go In Go In The Mall In The Mall  
Go And Go And Go And Buy It All Buy It all  
Money Aint A Issue Gotta Let You Know  
This Is Who I Am

Look I Came A Long Way From Way Across The  
Cheques  
No Matter How Much Paper Im Still The Same Cat  
See I Was Raised In Them Streets You Cant Change  
That  
Money Came First Them Bitches Came Last  
See This Is The Lifestyle That Everybody Dreams  
Im Captain And The Coach Say Hello To My Team  
Say Hello To That Life Say Hi To The Money  
I Made It Rain Now Everyday Seems Sunny  
Damn They Said Drinking Is Bad For My Health And I  
Know  
Everything I Drink Is On The Top Shelf On The Low  
This Lifes A Loaded Gun And im Busting Out  
Im So Addicted To Her Thats Why I Fuck 'Em All

Told them when I Grew Up I Would Blow Up  
Funny How Things Changed
