"Why U Wanna Go"

It took so long to get here
Why you wanna go?
Why you wanna leave me?
Why you wanna go?

It took so long to get here
Why you wanna go?
Why you wanna leave me?
Why you wanna go, eh?

It took so long for you to get close to me
(To get close to me)
Now you wanna go run away, girl, away from me
(Away from me)

I know it's got to be hard 'cause I'm so busy
(Cause I'm so busy)
Not to mention all the lonely nights, just missin' me
(Just missin' me)

'Cause ain't nothing better than you by my side, my
side
'Cause ain't nothing better than you by my side, my
side
'Cause ain't nothing better than you by my side, my
side
'Cause ain't nothing better than you by my side, my
side

It took so long to get here
Why you wanna go?
(Tell me, girl)
Why you wanna leave me?
Why you wanna go? Oh

It took so long to get here
Why you wanna go?
(Tell me, girl)
Why you wanna leave me?
Why you wanna go?

It took some time for me, learn to earn your trust
(Learn to earn your trust)
I ain't goin' nowhere no time soon, you can put that on
us
(You can put that on us)

Gucci, Louis, Rodeo, we gon' live it up
(We gon' live it up)
Now you want to say goodbye, girl and go and mess it
all up
(Go and mess it all up)

'Cause ain't nothing better than you by my side, my
side
'Cause ain't nothing better than you by my side, my
side
'Cause ain't nothing better than you by my side, my
side
'Cause ain't nothing better than you by my side, my
side, eh

It took so long to get here
Why you wanna go?
(Tell me, girl)
Why you wanna leave me?
Why you wanna go? Oh

It took so long to get here
Why you wanna go?
(Tell me, girl)
Why you wanna leave me?
Why you wanna go?

Forgive me, forgive me
Forgive me, forgive me
I love you, I love you
I love you, I love you

My mom say, my pop say
The family, they all say
They love you, they love you
They love you, they love you

It took so long to get here
Why you wanna go?
(Tell me, girl)
Why you wanna leave me?
Why you wanna go? Why you wanna go?

It took so long to get here

Why you wanna go?
(Tell me, girl)
Why you wanna leave me?
(Why you wanna go?)
Why you wanna go, eh?

It took so long to get here
Why you wanna go?
(Tell me, girl)
Why you wanna leave me?
Why you wanna go?

It took so long to get here
Why you wanna go?
(Tell me, girl)
Why you wanna leave me?
Why you wanna go, eh?
