Would I be the one to bring back the tears from your
eyes now

Would I be the one to bring back the tears

Would I be the one to bring back

Would I be the one to bring back the tears from your
eyes

Is it what I want to scrape off the juice from your boots
now

Is it what I want to scrape off the juice from you

Is it what I want

Is it what I want

Is it what I want

Is it what I want

Is it what I want

Is it what I want

Is it what I want to scrape off the juice from your boots
now

Is it what I want to scrape off the juice

Is it what I want to scrape off

Is it what I want to scrape off the juice from your boots

Is it what I want to be had like a bull by the horns now

Is it what I want to be had like a bull by the horns

Is it what I want

Is it what I want

Is it what I want

Is it what I want

Is it what I want

Is it what I want

Is it what I want

Is it what I want

Is it what I want

Is it what I want

Is it what I want
Is it what I want
