Please just forget me
Never let me into your heart
Cos the one thing i am afraid of
Is falling out of love

Please i'll forget you
Never let you into my heart
I left you standing
Standing in the dark
It's all falling apart

Stay away
I'm not myself
No one can help me now

I've lived for the devil

With a head full of devilish things
It only was because
Cos i was so afraid
Of falling out of love

Stay away
I'm not myself
No one can help me now

I've lost my way
Don't follow me
I've lost my way
Ohhhhh.
