She left me just the other night  
Came back the very next day  
I decided to drink some wine  
Cause I couldn't get my way  
Oh I said I'm gonna leave  
But I guess I'm gonna stay

If I was a rooster  
I would cockadoodle all day  
If I was an eagle  
I would try to fly away

Oh I said I'm gonna leave  
But I guess I'm gonna stay

How come you never know  
What it is I'm trying to say?  
How come it's freezing cold  
When we're in the month of May?  
Oh I said I'm gonna leave  
But I guess I'm gonna stay
