(coverdale)

I've been looking for shelter  
From the pourin' rain  
Walking in circles,  
Comin' back again  
Looking out of your window,  
Waiting for a while  
May not be the sweetest woman,  
But I love the way you smile...

Looks like I been this way before  
Knocking on the same old door  
Tell me stranger, have you seen  
The door locked anytime?

Well you can shake it - shake it  
Fake it - fake it  
Make it feel so fine  
An' you can always smell the roses  
But you know, you gotta draw the line

Black satin or lace, painted face  
I'll get my lovin', I'll leave no trace  
You can get your fun but it don't come free  
If you want, you can do it with me

So follow me down, follow me down,  
Down to goldies place  
I'll see you there..

In the perfume garden,  
Flowers on the wall...  
Sweet smell of surrender,  
An' you can try it all...  
You don't ask no questions  
You wont get no lies...  
You can get what you want for your pleasure,  
An' you can try it on besides...

Looks like I been this way before  
Knocking on the same old door

Tell me stranger, have you seen  
The door locked anytime?

But you can shake it - shake it  
Fake it - fake it  
Make it feel so fine  
But you can always smell the roses  
But you know, you gotta draw the line..

Black satin or lace, a painted face  
I'll get my lovin', I'll leave no trace  
You can get your fun but it don't come free

If you want, you can do it with me  
If you want, you can do it with me  
If you want, you can do it with me

So follow me down, follow me down,  
Down to goldies place

I said...

Follow me down, follow me down,  
Down to goldies place..

I'll see you there..

Follow me down, follow me down  
Down to goldies place..
