It's All Coming Back to Me Now (3:50)

Words: Jeff Pevar and David Crosby

I've been through rocky waters
Been over the falls
Feel like a pilot
In a plane when it stalls

It's all coming back
It's all coming back
It's all coming back
Comin' back to me now

Couldn't read my compass
Can't find my pack
Didn't know if I'd ever
Find my way back

Feel like a deer in the headlights
Or a car with no brakes
Sometimes leaves me laughing
Sometimes my heart aches

It's all coming back (3x)
Comin' back to me now

I get snapped into focus
By that oncoming train
I got too much to lose
I got so much to gain

It's all coming back
It's all coming back
It's all coming back
Comin' back to me now
