Take me to your river, baby, take me to your sea
Purify my soul an' pour your ocean over me.
Lead me to your chamber, where you sleep at night,
Scratch your name across my back, make me feel
alright.

You're the best time I have ever had,
You look so good, oh babe, you must be bad.

Diamonds on your ankles, sapphires on your shoes,
Your little gems of wisdom chase away my blues.
Mama's little princess, daddy's pride and joy,
I'm like a kid at christmas, playing with your toys.

You shake me in the morning, I wake up black an' blue
Ooh child, you act so wild, I'll name a hurricane after
you
Scarlet fever kisses, little miss dynamite,
Youngblood, you look so good, I'm gonna leave on all
the lights
So I can see where I'm goin', baby
Play that thing!

So take me to your river, baby, take me to your sea,
Purify my soul an' pour your ocean over me.
Lead me to your chamber, where you sleep at night,
Scratch your name across my back, make me feel
alright.

I have never felt this good before,
If you want I'll sleep outside your door.
You're the best time I have ever had,
You look so good, oh babe, you must be bad.

You must be bad...
