She was the keeper of all my reason  
Possessor of all I owned  
She kept me on the edge of darkness  
With words as cold as stone

Then you came along  
Your eyes were flashing with desire  
Oh, babe, you got me burning, so much  
You got my soul on fire

Honey, you move me  
You got me so I can't sleep at night  
You tell me, you believe in me  
And you say, you're gonna treat me right

You gave me the answer  
I knew right from the start  
I'm gonna tell you, holy roller  
They say that love's a gamble  
But, I got the Queen of Hearts

If I could touch the crystal silence  
That we have after making love  
Just to tell you I need you here  
In the glow of the stars above

If you ever leave, or deceive, or fool around  
You could be right, you could be wrong  
But, woman, I know I'll miss you when you're gone

Honey, you move me  
Like the wind through a willow tree  
Ain't no doubt about it, baby  
You make the blind man see

You gave me the answer  
I knew right from the start  
I'm gonna tell you, holy roller  
They say that love's a gamble  
But, I got the Queen of Hearts

You drive me crazy when you walk

Crazy when you talk, crazy when you walk with me

You gave me the answer  
I knew right from the start  
I'm gonna tell you, holy roller  
Gonna tell you, holy roller  
You're the Queen of Hearts

You gave me the answer  
I knew right from the start  
I'm gonna tell you, holy roller  
You're the Queen of Hearts, oh yeah

You gave me the answer  
I knew right from the start  
I'm gonna tell you, holy roller  
You're the Queen of Hearts

You gave me the answer  
I knew right from the start  
I'm gonna tell you, holy roller  
You're the Queen of Hearts, yes you are

You gave me the answer  
I knew right from the start  
I'm gonna, I'm gonna tell you, holy roller  
You're, you're the Queen of Hearts, oh yeah
