Forever  
It's never  
How can we live this way  
Whatever  
I tell her  
The words get in the way

Now that we're almost strangers  
We're getting close to madness  
Who we are I don't know

Where is hope  
This is where we stand  
This is how it ends  
It's knocking us out  
Down to the ground  
This fools game

A disaster  
What happened  
It all went up in smoke  
We're restlessly facing  
The worst scenario

Look who we both become now  
We're getting close to madness  
Where to go, we don't know

Where is hope  
This is where we stand  
This is how it ends  
It's knocking us out  
Down to the ground  
This fools game

Forever it's never  
How can we live this way  
No winners, just losers  
In this fools game

Where is hope  
This is where we stand

This is how it ends  
It's knocking us out  
Down to the ground

Where is hope  
This is where we stand  
This is how it ends  
It's knocking us out  
Down to the ground  
This fools game
