We can do anything
Just you and me baby baby baby baby babe
Wait and see

Hold on sit tight
Are you ready for a crazy ride?
You're on you're own
It ain't right
Something's gotta give tonight

So if you wanna run
Run and disappear

You and I can bust our way
Right out of here

Together we can
Shoot the moon
Stop the rain
Even ride a hurricane
If we wanna

Together we can
Walk in space
Save the human race
Do ya think we oughta oughta?

Together we can

Shoot the moon
Stop the rain
Even ride a hurricane
If we wanna
Walk in space
Save the human race
Do ya think we oughta oughta oughta

Here we take our time
We can have it all
I don't think were gonna make it on our own

Together we can!

Even ride a hurricane

If we wanna

Together we can

Walk into space

Save the human race

Do you think we oughta oughta oughta?
