Keepin it comin keepin it goin cause we ain't playin  
I'm talkin to all my people cause what I'm sayin is

[Busta Rhymes]

In case you ain't know and in case you ain't heard  
And if you want us to set it just give me the word  
This one goes out to my soldiers that be flippin them  
birds  
To all my shorties wigglin they shakin they curves

[Sean Paul]

We make it clap,  
We make it clap,  
We make it clap,  
We make it clap

[Spliff Star]

Poor snapper, lookin at shorty shakin it and makin it  
clap  
Booty big pokin out like twenties on the lap  
When I give it to her shorty know how to throw it back  
Booty bangin to the beat sometimes we overlap-sing  
Gal peel out your blouse and your tight-jeans  
Let me lick you down dip you with some ice-cream  
Gal holla holla my name when I slide-in  
Thunderstorm, rain, sleet and light-ning  
Hold me tight feel the triniman grin-ding and grin-ding  
and grin-ding  
Gal dip and bounce start whin-ning  
You see Spliff, Sean Paul and Busta Rhymes, seen  
(We got dough) You could tell by what we dri-ving  
(Lookin to chose) How it's different and blin-ding  
And blin-ding and blin-ding it's like that make it clap  
now

[Busta Rhymes]

In case you ain't know and in case you ain't heard  
And if you want us to set it just give me the word  
This one goes out to my soldiers that be flippin them  
birds  
To all my shorties wigglin they shakin they curves

[Sean Paul]
