Baby I see  
And baby I know  
No matter how hard you try  
I'm just so hard to hold

I know you could fly  
And never come back down  
And I know I'm the burden  
Keeping you on the ground

Maybe I'm not the one that you hoped for  
And you're right  
Maybe I'll never change  
Maybe there's not much here to love  
But maybe you could love me anyway

Well I've got my demons  
Baby I've got my pride  
And you've got every reason  
To leave me tonight

Yeah but baby I love you  
The best that I can  
Well it might not be pretty  
But it's all that I am
