Can we do this every day?  
Make the sound turn up loud  
Make the music play?  
Make the sun energy... here by the kiss...

Chorus:

You see the party won't stop 'till the morning light  
Smoking, cash to fly  
Don't stay up in the club tonight  
And this how this is how I'm gonna live my life  
Your hands in the air like sha, la, la, la, la  
In the lambo switching lanes like da, da, da, da  
Swag is up, your lame like ta, na, na, na  
Stay place every day like aha, ha, ha

... superstar  
I see you in cpr  
We gonna buy a drink, no buy the bar  
And everybody don't know who we are

We caught 'em flipping up, flipping...  
Tear up blouse and flipping skirts...  
... massage and a room with thee  
The place would be...  
Them, never hard...  
Sit, sitting them,...

Chorus:

You see the party won't stop 'till the morning light  
Smoking, cash to fly  
Don't stay up in the club tonight  
And this how this is how I'm gonna live my life  
Your hands in the air like sha, la, la, la, la  
In the lambo switching lanes like da, da, da, da  
Swag is up, your lame like ta, na, na, na  
Stay place every day like aha, ha, ha

... like a wide receiver  
We are not to...  
We smoked... like wiz khalifa  
We get sky high with...

We stay blunted best believe  
... with models and bottles in the vip  
And we do this every day  
When the sun turn to...  
And the music play  
Make... energy...

Chorus:

You see the party won't stop 'till the morning light  
Smoking, cash to fly  
Don't stay up in the club tonight  
And this how this is how I'm gonna live my life  
Your hands in the air like sha, la, la, la, la  
In the lambo switching lanes like da, da, da, da  
Swag is up, your lame like ta, na, na, na  
Stay place every day like aha, ha, ha
