As the reality of the times take hold,
We come to terms with the sadness we bear
Missin' the times we never get to share,
Wo wo wo wo wo wo wo
Just a few words that i would care.
Still i got all the memories
Wo wo wo wo wo

[Chorus:]

Say when mi look up ina mi life it's plain to see.
That it's never gonna be the same.
Take another step on towards my destiny.
But the memories still remain.
Deep ina mi brain inna mi soul I hold the key.
Said it's never gonna be the same.
Throughout life and beyond all eternity.
Yo we keep burnin up the flame.

[Verse 1:]

Wish I could rewind all the hands of time and bring
back
Daddigon a great bredrin of mine, I....
Sit and remember all the things that we spoke of,
All of the serious reasonings an all di tings we make
jokes of.
Still cannot believe them took your life away
But those who pull the trigger cannot take away.
The covenant the righteous have with Jah Jah.
So I know I'll see you again my brother.

[Chorus:]

[Verse 2:]

Fi all the friends and families that have past on.
Leaving impressions and memories that will last on.
We give thanks fi all the time that we know them,
Reminisce them legacy that is what we owe them.
Because they helped to make us who we are.
So let us never forget and talk it near and far.
Bless Up Grandpa, Leanne and Chris-I
Can't forget you if I try.

[Chorus:]

[Verse 3:]

Father Bogle (keep burnin up all the flame)
Simpleton (never gonna ever gonna be the same)
Peter Cargill (keep burnin up all the flame)
Shorty Malcolm (got memories inna mi brain)
Nicole Wynter (keep burnin up all the flame)
All friends and family....We'll never forget you all

[Chorus: (repeat)]

For all the friends that have passed on before,
I pray that you rest in peace.
And dad keep you safe 'till we meet again....
