Lyric:  
Yo yo yo yo  
Yeah  
Ha  
Yo yo yo yo

[Chorus X2]

Well all my love I give it to you girl, my life I'll live it with  
you girl  
Worth more to di I man than a diamond and a pearl  
So just give it to me girl, and a live it with me girl... I  
wanna rock your world

I heard about it happenin'  
I never thought it could be  
the way he looked into my eyes  
what he doin' to me  
he caught me by surprise  
he opened up my life  
He wasn't like them other dudes  
I wanna be his wife  
he said he got played  
I told him don't be scared  
My mission make you mine  
forget the rest  
they ain't prepared  
He said he liked my style  
I said I liked his lips  
he took my hand  
and then he told me this

[Chorus X2]

Well all my love I give it to you girl, my life I'll live it with  
you girl  
Worth more to di I man than a diamond and a pearl  
So just give it to me girl, and a live it with me girl... I  
wanna rock your world

You ever let a dude

you can't get out yo mind  
you go to sleep  
he in your dreams  
he with you all the time  
This was the way it was  
thought it was meant to be  
till I picked up the phone one night  
and it was Tiffany  
She said he was her dude  
I said is that a fact  
She said I let him go and play  
but he always come back  
I said that can't be true  
she said it always is  
I hung up, heart stuck  
i cant believe this shit

[Chorus X2]

Well all my love I give it to you girl, my life I'll live it with  
you girl  
Worth more to di I man than a diamond and a pearl  
So just give it to me girl, and a live it with me girl... I  
wanna rock your world...
