Don't pretend you don't need me, daily, monthly and weekly

Sean da Paul, pon the girl them, intermediately, weh me sey, dutty yea

Don Corleone, deh ya fi make the girl ride pon the pony
Sean Paul no phony, hear me tell the girl them say

My girl, from head to toe you finesse, Jah Jah bless you with would a

Mash up man head to toe, most naturally

Anytime me want it, girl, just gimme the pre

I'll set you free, I give you my love and you know it's guaranteed

I got what you need, believe in you and me

Girl, you physique a speak

And if a talk you a talk it make man heart beat

When you out a street

The walk wey you walk make this world look counterfeit

'Cause you no incomplete

Everything weh you got on sexy, everything look neat

We can feel the heat

I guy must be blind if him haffi look hard fi see it

'Cause from you set on, me ready fi go put on the sweat on

Gal, 'cause you body it a beckon

Every minute every second me turn on the threat on

Gal, you goin' get wet on

Just ease you mind up one time

Flex tonight because it's not a crime

Relax you vibe because hype we no join

Gal, bubble when you feel the bass line, 'cause

From head to toe, you finesse, Jah Jah bless you with

Would a mash up man head to toe, most naturally

Anytime me want it, girl, just gimme the pre

I'll set you free, I give you my love and you know it's guaranteed

I got what you need, believe in you and me

Girl, come roll with we
If you man a pose up like him just don't know how fi do
it
Him lack energy
Him nah work you right, never work it fi you properly

And give you memories
Inna di bathroom, sofa, hammock up between the trees
Up in the evening breeze
'Cmon baby girl, this is not a good time fi tease

So off let it, you will not forget it
Sean a Paul a youth wey naw go pamper nor pet it
Pump it hard but no me naw offset it
Nuff how fi turn it don't fret it

Girl, just ease you mind up one time
Flex tonight because it's not a crime
Relax you vibe because hype we no join
Gal, bubble now to the bass line, 'cause

From head to toe you finesse, Jah Jah bless you with
would a
