Blessed your little broken heart
But you know we had to part
You done know it from the start
Me tell them say a dutty, yeah
Sean Paul and Sasha come sing for me, baby

Though you make me holla
Though you make me sweat
I can't get your tenderness
Still I can't get you out my mind
What is it about you, baby?

A dutty, dutty, dutty love

I'm still in love with you, boy
Well, I'm a hustler and a playa
And you know I'm not a staya
That's the way I give my love

I'm still in love with you, boy
Say girly try to understand
That a man is just a man
That's the dutty dutty love

I'm still in love with you boy
Blessed loving from the start
But you know, we had to part
That's the way I give my love

I'm still in love, yes, I'm still in love with you boy
But a man gotta do what a man gotta do

Blessed your little broken heart
But you know we had to part
You done know it from the start
Me tell them say a dutty, yeah

And now you want draw card say me just can't perform

And me gone, you don't know how to love me
And I nah no time fi no kiss up and charm

Not even how to kiss me, a true me take you
Little heart by storm, I don't know why

Me turn around she ask the question why, why, why
When me leaving me see the gal a cry, cry, cry

And it hurts my heart to tell a lie, lie, lie
So don't cry no more, baby girl, for sure
Just remember the good times we had before

I love you baby, so true you get a little loving
And me gone, you don't know how to love me
And I nah no time fi no kiss up and charm

Not even how to kiss me, a true me take you
Little heart by storm, I don't know why
Baby girl, baby girl, baby girl, I love you, baby

I'm still in love with you, boy
Well, I'm a hustler and a playa
And you know I'm not a staya

That's the way I give my love

I'm still in love with you, boy
Say girly try to understand
That a man is just a man
That's the dutty dutty love

I'm still in love with you boy
Blessed loving from the start
But you know, we had to part
That's the way I give my love

I'm still in love, yes, I'm still in love with you boy
But a man gotta do what a man gotta do
