I'm still in love with you boy, well I'm a hustler and a player
And you I'm not a stayer, that's the dutty dutty love
I'm still in love with you boy, say girl, try to understand
That a man is just a man, that's the dutty dutty love
I'm still in love with you boy, blessings, loving from the start
But you know we had to part, that's the way I give my love
I'm still in love with you but a man gotta do what a man gotta do

Gal, we'll a never had to promise you no bling bling fo hold you girl
A just the loving weh me fling fling control you girl
And make you head swirl and make you body twirl
And make you wanna be my one and only baby girl
Night after night me give you love fi keep you warm

And now you want draw card say me just can't perform

I love you baby, A true a get the little loving and me
gone
You don't know how to love me, I an' I nah no time fi no
