[Chorus:]

Say when mi look up ina mi life its plain to see.
That its never gonna be the same.
Take another step on towards my destiny.
But the memories still remain.
Deep ina mi brain inna mi soul I hold the key.
Said its never gonna be the same.
Throughout all life and beyond all eternity.
I keep burnin up the flame.

[Verse 1:]

Wish I could rewind all the hands of time and bring
back
Daddigon a great bredrin of mine, I...
Sit and remember all the things that we spoke of,
All of the serious reasonings an all di tings we make
jokes of.
Still cannot believe them took your life away
But those who pull the trigger cannot take away.
The covenant the righteous have with Jah Jah.
So I know I'll see you again my brother.

[Chorus:]

[Verse 2:]

Fi all the friends and families that have past on.
Leaving impressions and memories that will last on.
We give thanks fi all the time that we know them,
Reminisce them legacy that is what we owe them.
Because the helped to make us who we are.
So let us never forget and talk it near and far.
less Up Grandpa Lee and Aunt Chris-I
Can't forget you if I try.
