[Intro]
Are you with me, Baby!
I wannna know I wanna know
My girl...

[Verse 1]
Try to tell you that I love you babygirl
But it's all in vain [in vain, in vain]
Try to tell you that I be there for you
When you call my name [my name, my name!]
The very little thing I try to do, it go cause you pain
[pain, pain]
In de mud is where leave you girl and don't come back
again
Cause you kno I can't pretend
I tell you that I give you love straight to di end
But badmind a cut wi off, them don't want wi cah wi
spend(?)
They dont understand it, from my heart...

[Chrous]
Babygirl you know this from de start
Well any which spot(path?) you walk you got me
caught, you a di top
My PEPPERPOT
Babygirl I put you at the top
Well any which spot you walk you got me caught, you a
di top
My PEPPERPOT

[Verse 2]
Girl I'm givin you the best of me
And babygirl a you deserve the best indeed
Nuff a them a try fi cut my speed
And that just keeps depressing me
But nothing's gonna break my stride
And babygirl a let me tell you this you are my pride
If I don't get the chance to treat you right
My thugs willing thief my life

[Bridge]

Have you ever buck a woman and you feel so close?
That you can't do without a thing bout her de most
Family and friend dem nuh stop from appose
Its like water in a rose that never will grow
Time after time me a try prove my love
Cah the bond that me feel got to grief from up above
None a them nuh waan fi see
No dem mek me waan fi grief
They dont waan believe it, its from my heart...

[Chrous]

[Bridge 2]
Yeeaaah....
Girl I wanna know [I wanna know]
Are you with me?... baby!
And I wanna know [I wanna know]
Can you feel me?, lady!
Well I wanna know [I wanna know]
Are you with me?... baby!
Then dont listen none a them fools
Cause they don't understand

[Verse 1]
Try to tell you that I love you babygirl
But it's all in vain [in vain, in vain]
Try to tell you that I be there for you
When you call my name [my name, my name!]
The very(?) little thing I try to do, it go (?) cause you
pain [pain, pain]
In de mud is where leave you girl and don't come back
again
Cause you kno I can't pretend
And babygirl this is driving me insane
Bad mind a cut wi off, them don't want wi cah wi
spend(?)
They dont understand it, from my heart...

[Chrous x3]
