Chorus:

Girl I got you so high
And I know you like
So come on push it on me
If it feels alright
Put it up, drop it low and break it off...
No, she doesn't mind
Ai, she doesn't mind, ai, she doesn't mind
Girl I got you so..

Push it back on it... bring it back on it...
Gimme the thing...
Whine it, wiggle it, set the chop on it
Two more shot... now we in and up on it
Two girl and I'm ready for jump on it
Two to my word now I'm ready to jump on it
Ready for run on it, ready for jump on it
Tag Teamin'...for pump on it
Hands up high we burnin' up the sky
We got the dance floor crazy
We got the club on fire
I like the way you dance
You got me in a chance
My baby she dont mind the top
