"THINGS COME & GO"

(Written by Mya Harrison, Sean Paul Henriques & Shuggie Otis)

### VERSE 1

I've done some stupid shit  
I've even lied to you, you know that for a fact  
Plus all I've put you through (all I've put you through)  
It still amazes me (me), how you've forgiven me (yeah)  
If I could take it back, I wouldn't have done those silly  
things

### B SECTION 1

(How do you do it) A much more bigger man than me  
(How can I repay you) 'cause you stuck in there with  
me  
(I won't forgetcha) How it's so clear, now I see  
Still you're the only one, that I can count on  
Ya never gave up on me

### HOOK

Things come & go, seasons change, people grow  
The world turns, but our love remains the same  
Things come & go, Winter, Summer, Spring and Fall  
Through it all, our love remains the same

### VERSE 2

I don't know how it all happened but (but) you're  
everything and more (everything & more)  
Even though I might lose you because I didn't work  
hard enough  
Figured since you lost my trust (ooh) that we would just  
fall apart (yeah)  
Now I realize I need to wake up  
So I'm giving you all my heart

### B SECTION 2

(I remember) Oh watchin' the clouds go by

(You were always there) Always right there by my side  
(Can't forget you) I can't forget you as I reminisce on  
this tree  
You were the only one, that was in my life  
Who showed me consistency

Repeat HOOK

SEAN PAUL - 2x

Things change from year to year, girl  
But my love for you is always here, girl  
Never 'fraid, never have no fear  
Baby call me and I will appear, well

BREAKDOWN

Can I take you away from this place  
Whatever you wanna do, oh my baby it's cool  
Take my hand let's make plans  
Just as long (as you are here and boy I'm with you)

Repeat HOOK - 2x

SEAN PAUL - 2x over HOOK

Things change from year to year, girl  
But my love for you is always here, girl  
Never 'fraid, never have no fear, baby  
Call me and I will appear, well
