Here comes the boom, here comes the boom  
Here comes the boom, here comes the boom  
Here comes the boom, here comes the boom  
Here comes the boom, here comes the boom

Here comes the boom, boomin', bouncin'  
Stalkin', must walk in, hawk get to pouncin'  
Get 'em where it counts and, hit 'em like a mountain  
Spit 'em, have 'em spittin' out blood like a fountain

Don't look at me like that, we just might fight black  
And that fight might end up in me takin' your life back  
I don't go for the bullshit 'cause I've been down  
And time is just too important to be fuckin' around

Talk nigga, I stomp a mud hole in your face  
Motherfucker, rip your butt hole out of place  
Cock the glock to your head, let off about two in it  
Yeah, it's a dirty job but I just love doin' in

Here comes the boom, here comes the boom  
Here comes the boom, here comes the boom  
Here comes the boom, here comes the boom  
Here comes the boom, here comes the boom

Here comes the boom, here comes the boom  
Here comes the boom, here comes the boom  
Here comes the boom, here comes the boom  
Here comes the boom, here comes the boom

I did more kinds of war crimes  
More times than in war times, went way before times  
You know what's sad man, that I'm such a mad man  
Bad man with that boom you never had man

Here comes the boom, here comes the boom  
Here comes the boom, here comes the boom  
Here comes the boom, here comes the boom  
Here comes the boom, here comes the boom

Here comes the boom  
Here comes the boom

Here comes the boom
