My main aim is to maintain  
Beyond 2005 stay alive Jah Jah we a fear  
Stay clear of the brain drain  
Because the system design wth a whole heap a fall and  
pit hole

And no just a little bit of gain  
Dem waan you walk thin lines, then dem say do it again  
My main aim is to stay sane  
'Cause I never did like an I never did love fame

So listen mi, those who playerhate an' keep on dissin'  
mi  
Tell dem say dem cannot stop mi synergy  
Dem really cannot limit mi

Dat is how di dutty sell di units  
Nuffa dem get puzzled like a Rubiks when dem hearin'  
all mi new hits

Watch it make mi show dem how fi do this

We school them on di true hits, year after year dem  
can dispute it  
Real dancehall dem caan dilute dis
