Girl ?  
Sun up to sun down  
And we run the town  
Yea we wear the crown  
And you dun know how we do this  
Sean-a ?. the girls overall me  
Me tell them (oh gosh man the odyssey)  
As the kings fire, we only need one ting ?A lot of ladies  
You ?.(budda bang bang bang bang)  
Chorus

Yow  
Girl ah just so you role when me take you at the club  
Watch all the girl them ah bubble an tug  
Hennessy, weed, all the bottle ah the pub  
Girl we party, we party  
Every night, every freakin? day  
Tell the DJ make the sound play  
Sunday to Sunday tis ah holiday  
Girl we party, we party  
Girl you been on my mind  
From last week girl me see you at whine  
You and your friend come this time  
Girl we party, we party  
Girl do let me join the line  
Step in to the club, girl at time we ?  
You go the ting where me well of the prime  
We party, we party

Girl, you know when you step to the club  
With the S to the P girl you know what is up  
If you wanna give me something  
then come give me love  
Cause S to the P girl you know we do bluff

Gal, stop stressin?  
Press it upon me  
Gal come .. me with you fly in a glee  
Cause me know you all lean n? jah jah bless you upon  
me  
You ?. done give me the ?  
Yow, aye

C'mon baby c'mon put it on me  
Bring all you girl them ?? G's  
Give me my treasure, you fi give me nanny  
Girl just set me free

Chorus

Yow  
We set the trend, we set the pace  
We take the club, we rock, we done the place  
Do bother fret, do worry you pretty face  
Just get busy girl n? cause a crazy  
It's all good gal ah she we live with this  
Life is short we must alleviate  
Tall ah this stress, cause crazy people hate  
And we do give a fuck about reprimands  
Yow, aye  
Me keep banging  
Girls keep swinging  
When my song play in the club they singing  
Sean-a-Paul with the good vibe bringing  
So we stunnin? and we keep stinging

Chorus
