Historically speaking
International speaking we got the girl them tweaking
Single girl dem to the one wey creepin'
To the one dem weh outright cheating

Say girls from all over the world call on my phone and
them a
Tell me say them need the yardie bone
Because then love it bad
And if they don't get it them a goin' go mad

Say girls from all over the world call on my cell,
because
They know the yardie boys do it well, swell
It's a well known fact from they get the yardie bone
Then they must come back

From outta the freezin' breezin' them gal deh blowin'
up my phone
Them cannot get me at my yard them callin' Don
Corleon
She left a message say she horny and she deh there all
alone
She want me, up inna the zone to give her the real
yardie bone

Me represent magnificent because me know me full
grown
Give her the length and give her the strength because
it hard like a stone
And to how me deal with it she say dutty a your own
Say the yardie youth them just can't be cloned

Say girls from all over the world call on my phone and
them a
Tell me say them need the yardie bone
Because then love it bad
And if they don't get it them a goin' go mad

Say girls from all over the world call on my cell,
because
They know the yardie boys do it well, swell

It's a well known fact from they get the yardie bone
Then they must come back

Say girls from all over the world call on my cell,
because
They know the yardie boys do it well, swell
It's a well known fact from they get the yardie bone
Then they must come back
