I'm still in love with you boy
Well, I'm a hustler and a player and you I'm not a stayer
That's the dutty, dutty love, I'm still in love with you boy
Say girl, try to understand that a man is just a man

That's the dutty, dutty love, I'm still in love with you boy
Blessings loving from the start but you know we had to
part
That's the way I give my love, I'm still in love with you
But a man gotta do what a man gotta do

Girl, well a never had to promise you no bling bling fo
hold you girl
A just the loving weh me fling fling control you girl
And make you head swirl and make you body twirl
And make you wanna be my one and only baby girl

Night after night me give you love fi keep you warm
Gal, you never get this kinda love from you born
And now you want draw card say me just can't perform

I love you baby, a true, a get the little loving and me
gone
You don't know how to love me
I and I nah no time fi no kiss up and charm

Not even how to kiss me, a true me take you little heart
by storm
I don't know why, baby girl, baby girl
I love you baby, a just the dutty dutty love

I'm still in love with you boy

That's the way I give my love, I'm still in love with you
But a man gotta do what a man gotta do, girl

A true me give her tug love and say bye bye bye
Me turn around she ask the question why why why
When me leaving me see the gal, cry cry cry

And it hurts my heart to tell lie lie lie
So don't cry no more, baby girl, for sure
Just remember the good times we had before

I love you baby, a true, a get the little loving and me
gone
You don't know how to love me
I and I nah no time fi no kiss up and charm

Not even how to kiss me, a true me take you little heart
by storm
I don't know why, baby girl, baby girl
I love you baby, a just the dutty dutty love

I'm still in love with you boy
Well I'm a hustler and a player and you I'm not a stayer
That's the dutty dutty love, I'm still in love with you boy
Say girl, try to understand that a man is just a man

That's the dutty dutty love, I'm still in love with you boy
Blessings loving from the start but you know we had to
part
That's the way I give my love

I don't know why, I don't know why, I don't know why
I don't know, I don't know, I don't know
I don't know why, I'm still in love
