I'm still in love with you boy  
Well, I'm a hustler and a player and you  
I'm not a stayer  
That's the duty, duty love  
I'm still in love with you boy  
Say girl, try to understand that a man is just a man  
That's the duty duty love

I'm still in love with you boy  
Blessings loving from the start but you know we had to  
part  
That's the way I give my love  
I'm still in love with you  
But a man gotta do what a man gotta doo

Girl, well I never had to promise you no bling, bling  
Fo hold you girl a just the loving weh me fling, fling  
Control you girl and make you head swirl  
And make you body twirl

And make you wanna be my one and only, baby girl  
Night after night me give you love fi keep you warm  
Gal you never get this kinda love from you born  
And now you want draw card say me just can't perform

I love you baby  
A true a get the little loving and me gone  
You don't know how to love me  
I an I ah no time fi no kiss up an charm

Not even how to kiss me  
A true me take you little heart by storm  
I don't know why baby girl, baby girl  
I love you baby a just the duty duty love

I'm still in love with you boy  
Well, I'm a hustler and a player and you  
I'm not a stayer  
That's the duty, duty love  
I'm still in love with you boy  
Say girl, try to understand that a man is just a man

That's the duty duty love

I'm still in love with you boy  
Blessing loving from the start but you know we had to  
part

That's the way I give my love  
I'm still in love with you  
But a man gotta do what a man gotta doo, girl

A true me give her tug love and say bye, bye, bye  
Me turn around she ask the question why, why, why  
When me leaving me see the gal cry, cry, cry

And it hurts my heart to tell lie, lie, lie  
So don't cry no more, baby girl for sure  
Just remember the good times we had before

I love you baby  
A true a get the little loving and me gone  
You don't know how to love me  
I an I ah no time fi no kiss up an charm

Not even how to kiss me  
A true me take you little heart by storm  
I don't know why, baby girl, baby girl  
I love you baby a just the duty, duty love

I'm still in love with you boy  
Well, I'm a hustler and a player and you  
I'm not a stayer  
That's the duty, duty love  
I'm still in love with you boy  
Say girl, try to understand that a man is just a man  
That's the duty duty love

I'm still in love with you boy  
Blessings loving from the start but you know we had to  
part  
That's the way I give my love

I don't know why, I don't know why  
I don't know why, I don't know  
I don't know, I don't know  
I don't know why I'm still in love
