I saw you coming, miles away
Stormy weather, heard them say
Turn around, you're playing with fire, fire, fire
Going faster, leaving crown,
Sky above, looking down
In your arms I wanna go higher, higher, higher
All I want, I want, I want, I want, I want, I want

All I want is you, you
All I want is you, you
All I want is you, you
All I want is you,
All I want is you,

All I want is you, you
All I want is you, you
All I want is you, you
All I want is you,
All I want is you,

I can't remember my life before,
A day without you, impossible
Pull me in, into your river, river, river
Slipping under, you're in control
Take my heart, take it all, all
You're making me shiver, shiver, shiver

All I want is you, you
All I want is you, you
All I want is you, you
All I want is you,
All I want is you,

All I want is you, you
All I want is you, you
All I want is you, you
All I want is you,
All I want is you,

Cause all I want is you, is you,
O-o-oh
All I want is

O-o-oh
All I want is you,
All I want is you,

All I want is you, you
All I want is you, you
All I want is you, you
All I want is you,
All I want is you,

All I want is you, you
All I want is you, you
All I want is you, you
All I want is you,
All I want is you
